

Journey through Lent with us

As you journey through the 2018 Lenten season, it is our prayer that you meet God in new and exciting ways each day. This devotional is yours to use as you see fit. Reflect on the word of the day and the Scripture passage provided in your preferred biblical translation. Use the blank space on each page for written reflections, artwork, quotes, or notes.

We will be posting each day's word on our Facebook page. You are invited to consider each day's word and Scripture and respond with quotes, images, reflections, anything you'd like to contribute to the day's meditations. Connect your responses by using #NPCLandscapesofLent.

Landscapes of Lent

In this 2018 Lenten season, we will be considering various aspects of God's creation: landscapes of earth, air water, and sky, alongside passages of Scripture that give us glimpses into Jesus' life and ministry on earth. Each week begins with a full passage on Sunday, which will also be reflected upon in our Sunday morning worship service. Scriptures are then broken down into smaller portions each day and accompanied by a word. You are invited to reflect on the daily Scripture passage and the word together. What portions of the Scripture draw your attention? How does the word connect to what you have just read?

Each page has a word and a Scripture passage for each day of Lent. There is blank space provided on each page for your reflections and meditations, prayer requests, quotes, notes from your devotional time, drawings or other artwork, there is no right or wrong way to use the space.

If you are receiving these devotions digitally and would like to share your responses, please consider connecting with us on social media using #NPCLandscapesofLent on Facebook or Instagram.
